Queries about access?

Alphabetti Theatre strives to hold accessibility at the heart of everything we do.

Aligning with that for 2025 we have worked with AccessAble so you can find out about our facilities before you visit. AccessAble's surveyors assessed our venue to create a Detailed Access Guide.

You can find out more via the AccessAble website

Additional info:

Please be aware that Alphabetti Theatre is a busy building, with lots always happening. We often have dogs in the building. We also have a flexible work schedule for staff and artists so occasionally children may be in the building. Although this creates a lovely atmosphere it does mean that there may be background noises around the building.
